

Before, During, and After

Title of Work of Art: _____

Objective: Students will determine and record the sequence of events in a work of art or reproduction.

Imagine that this work of art shows a scene from a movie. Put your descriptions in the three frames below. Students may select any time frame (seconds, days, or years—before and after).

In this frame, write or draw what could have happened **before** this scene.

In this frame, write or draw what is **currently** happening in the image.

In this frame, write or draw what you predict will take place **after**.
