

# Then and Now

Title of Work: \_\_\_\_\_

Objective: Student will reflect on the specific time and place depicted in a work of art and discuss changes in that place over time.

Directions: Describe the scene and activities shown in the work of art. Imagine how the same place and activities would look today.

## **Describe What You See in the Painting**

## **Describe How You Imagine the Scene Today**

What is the setting?

How would the setting look today?

What are the people doing?

What might people be doing similarly today?

What are the people wearing?

How would the people dress now?

What objects are the people using?

What objects would people use today for the same purpose?

How do you think people traveled in this scene?

What type of transportation would they use today?

What art materials did the artist use to make this scene?

What art materials or equipment might a person use today?
